

FDL

FENVILLE DISTRICT LIBRARY

under construction

What does this mean for me?

CAN I STILL USE THE LIBRARY?

- Patrons will still be able to come inside, as well as receive curbside service, during the library's regular hours.

HOW DO I GET INTO THE BUILDING?

- The library's main doors will be closed while construction is ongoing. However, there will be a temporary entrance/exit at the side of the building closest to Allegan Credit Union.

WHERE DO I PARK?

- Plan your visit! Parking will depend on how long you plan to be in the library and when you're visiting.
- If you need accessible parking, are receiving curbside service, or are stopping in for a quick visit (ten minutes or less), you can park in the designated library spots at Allegan Credit Union.
- If you're visiting after 5:00 PM or on the weekend, you can park anywhere in Allegan Credit Union's parking lot.
- If you may be at the library for more than ten minutes, we ask that you park in one of the public areas downtown and walk to the library.
